

General Specifications

Cap

Our cap is 100% Virgin LDPE and our customized PE additive made our cap the first one in the world to be oxo-biodegradable. Standard colors are Blue, Earth-green, Natural, Red, Pink, Yellow and Aqua. We can also customize colors to meet your application.

Label

Norland can provide custom printed labels for our Earth-Cap. Camera ready artwork is preferred, but not required in most cases. Our labels are also uniquely oxo-biodegradable.
